PLEASE NOTE: If you are searching for a particular LICENSE NUMBER there are two parts to the license. The first box must contain a 'P' for Psychologist or an 'SP' for School Psychologist. Place the license number in the second box. In lieu of entering a license number preceded by 'P' or 'SP,' you can simply enter a last name and first name without a license number.

Records with a "YES" in the Action column have further information that is available by clicking on "View Documents" after clicking on the name.
